

2023-24 Annual Report St. Mary, Mother of God

The 2023-24 Annual Report is intended to provide a snapshot of stewardship over the previous fiscal year. Parish offertory/sacrificial giving is our primary source of revenue. Thanks to your support, we were able to address important deferred maintenance projects (highlights are on the back page). However, due to decreased giving and increased expenses, we ended 2023-24 with an operating deficit of \$289,554. Thanks to our Love One Another Campaign and a few bequests, we're remaining financially stable.

A healthy balance sheet and strong financial position allow our parish to plan and prepare for the future. My prayer is that we continue to embrace the spirit of stewardship, and recognize all we have is a gift from God. Let us strive to use our time, talents, and treasure for the greater glory of God and the service of one another. — Msgr. Ross Shecterle
