Sanctuary Project FAQ

Last month we began our long-anticipated altar renovation and baptistry project, led by Tim Galligan, buildings and maintenance manager, and a team of dedicated and skilled parish carpenter-volunteers, known as the "Do-Dads." Occasionally, questions about the project arise, and we would like to provide answers to them here.

Question: How is this project being funded?

Answer: Every other year, St. Mary Parish has an auction and dinner gala. Revenue from this event helps to support the budgets for our parish structures, maintenance, personnel and enhancements. Money for the materials needed for this project — tile, wood, etc. — is coming from funds raised by the auction. The baptismal font was

acquired about a year and a half ago when St. Mary of Czestochowa - Our Lady of Divine Providence closed.

Do you have a question about Sanctuary Improvements? Please email it to kkubisiak@stam.church.

Love One Another Pledge Questions

Thank you for supporting the parish and the Archdiocese of Milwaukee by your Love One Another pledge!

We have received some questions about pledge submission and processing. Here are a couple of tips to make the process more efficient.

First, if you are sending a check, be sure to enter "Love One Another" on the recipient line. Second, all Love One Another Pledge checks should be sent to the LOA Campaign Office. (Listed to the right).

The Love One Another office is processing a large volume of pledges from throughout the diocese. This is a great blessing, but it might cause contributions to clear the bank more slowly. We apologize for the inconvenience.

If you have a specific question regarding pledge processing, fulfillment or changes, please don't hesitate to call the Archdiocese of Milwaukee at (414) 769-3323.

Domestic Violence Awareness: Pornography Use Linked to Aggression

A Barna survey revealed that 37 percent of Christian men and 7 percent of Christian women used pornography several times a week or more. For each hour of pornography watched, sexual aggression increases. There are higher rates of abortion, many are coerced. The actors in the pornography industry are often victims of sex trafficking.

In his encyclical *Humanae Vitae*, Pope Paul VI stated marriage is "a love which is total—that very special form of personal friendship in which husband and wife generously share everything, allowing no unreasonable exceptions and not thinking solely of their own convenience".

A LETTER FROM FR. LINN

Video Series Aims to Answer Your Questions

In the coming year, the whole church in the United States will be celebrating a Eucharistic revival, a movement to restore understanding and devotion to the source and summit of our faith, the Eucharist — the real presence of our Lord Jesus, Body and Blood, Soul and Divinity. Strengthening our liturgical life through the faithful celebration of the Mass, reception of the Eucharist, and Adoration are all part of this revival.

I often receive questions about the liturgy, as well as why we do what we do in our parishes — specifically those practices that might be different from what you experienced growing up, or when visiting other churches. In the coming months, Monsignor and I will be creating a video series that we hope will answer your questions and draw you more deeply into the liturgy. Our goal is to help you to deepen your love for the Eucharist by deepening your understanding — as we cannot love what we do not understand.

You can find the first of these videos on our parish websites (listed to the left), and they will also be shared on social media.

If questions come to mind as you see these videos, or while you are at Mass, please contact me or Kristen Kubisiak, our director of communications (see "Contact Us" box below). Questions may be answered in a video, or if you'd rather, addressed personally. I'm here to serve you and to help you love the Lord.

A LETTER FROM FR. LINN

Confession by Any Name is Good for You

One of the first indicators of a healthy parish is the number of people regularly going to confession. The reason I am deeply convinced of this, is that the Sacrament of Reconciliation fully manifests conversion. The catechism tells us that there is no evil that is greater than sin, and nothing has worse consequences for sinners themselves, or for the Church and the whole world. So we might think of this Sacrament in which we express sorrow for our sins and firm purpose to turn away from sin as perhaps the most complete expression of the conversion that we are all called to at the beginning of Lent and every day of our lives, as Christ tells us, "repent and believe in the Gospel."

The Sacrament of Reconciliation is called by many names, each drawing attention to a particular aspect of its nature. It's called the Sacrament of Reconciliation because through it we are reconciled to God; our relationship with Him is restored. It's called the Sacrament of Confession because in it we confess our sins; we give testimony against ourselves as if we were attorneys prosecuting our own sins. It's called the sacrament of forgiveness because, through our priest or bishop, God forgives our sins. It is called the sacrament of mercy, because in it God not only manifests His justice, but also His great compassion, and His great desire to forgive. Finally, it is also called the Sacrament of Penance, because part of the sacrament is making amends. Lent itself is a season of penance by which we free ourselves from attachment to the world and we prepare ourselves for the final coming of Christ. Our Lenten practices of prayer, fasting, and almsgiving are all forms of penance.

Each week, between St. Anthony and St. Mary Parishes, there are a minimum of 12 confession opportunities during Lent (see front cover for listing of days and times). I hope you will take advantage of these opportunities to confess and prosecute your sins, to make amends, and to be reconciled with God, experiencing the fullness of His mercy and forgiveness.

A LETTER FROM FR. LINN

Introduction to the Triduum

If you have ever wondered why we "do what we do," oftentimes it is simply a matter of following the direction of the Roman Missal. With Triduum right around the corner, here is some information taken from the Roman Missal that might help to illuminate the mystery of these days. - Fr. Andrew Linn

Fr. Andrew Linn

In the Sacred Triduum, the Church solemnly celebrates the greatest mysteries of our redemption, keeping by means of special celebrations the memorial of her Lord, crucified, buried, and risen. The Paschal Fast should also be kept sacred. It is to be celebrated everywhere on the Friday of the Lord's Passion and, where appropriate, prolonged also through Holy Saturday as a way of coming, with spirit uplifted, to the joys of the Lord's Resurrection.

THURSDAY OF THE LORD'S SUPPER: At the Evening Mass

Holy Communion may only be distributed to the faithful during Mass; The altar may be decorated with flowers with a moderation that accords with the character of this day. The tabernacle should be entirely empty; but a sufficient amount of bread should be consecrated in this Mass for the Communion on this and the following day. The Gloria is said. While the hymn is being sung, bells are rung, and when it is finished, they remain silent until the *Gloria in Excelsis* of the Easter Vigil. Likewise, during this same period, the organ and other musical instruments may be used only to support the singing.

The Transfer of the Most Blessed Sacrament. A procession is formed in which the Blessed Sacrament, accompanied by torches and incense, is carried through the church to a place of repose prepared in a part of the church or in a chapel suitably decorated. Meanwhile, the hymn *Pange, lingua Gloriosi* (exclusive of the last two stanzas) or another Eucharistic (Continued on Pg. 2)

"Pange, lingua glorios" translated means "sing, my tongue, the Savior's glory"

(Con't from Pg. 1) chant is sung. When the procession reaches the place of repose, the Priest, with the help of the Deacon if necessary, places the ciborium in the tabernacle, the door of which remains open. Then he puts incense in the thurible and, kneeling, incenses the Blessed Sacrament, while *Tantum ergo Sacramentum* ("Therefore so greatly the Sacrament...") or another eucharistic chant is sung. Then the Deacon or the Priest himself closes the tabernacle door. The faithful are invited to continue adoration before the Blessed Sacrament for a suitable length of time during the night, according to local circumstances, but after midnight adoration should take place without solemnity.

FRIDAY OF THE PASSION OF THE LORD

On this and the following day, by a most ancient tradition, the Church does not celebrate the Sacraments at all, except for Penance and the Anointing of the Sick. Holy Communion is distributed to the faithful only within the celebration of the Lord's Passion; but it may be brought at any hour of the day to the sick who cannot participate in this celebration. The altar should be completely bare: without a cross, without candles and without cloths.

The Celebration of the Passion of the Lord On the afternoon of this day, about 3 pm (unless a later hour is chosen for a pastoral reason), there takes place the celebration of the Lord's Passion consisting of three parts, namely, the Liturgy of the Word, the Adoration of the Cross, and Holy Communion. After the Solemn Intercessions, the solemn Adoration of the Holy Cross takes place.

HOLY SATURDAY

On Holy Saturday the Church waits at the Lord's tomb in prayer and fasting, meditating on his Passion and Death and on his Descent into Hell, and awaiting his Resurrection. The Church abstains from the Sacrifice of the Mass, with the sacred table left bare, until after the solemn Vigil, that is, the anticipation by night of the Resurrection, when the time comes for paschal joys, the abundance of which overflows to occupy fifty days. Holy Communion may only be given on this day as Viaticum.

March Domestic Abuse Awareness

Survivors seek healing in spiritual practices but often bypass the work of addressing thoughts, beliefs, emotions, physical and interpersonal wounds in a therapeutic relationship. The only way out is through – "Enter the narrow gate; for the gate is wide and the way is easy that leads to destruction.....the gate is narrow and the way is hard, that leads to life, and those who find it are few" (Matthew 7:13-14).

A MESSAGE FROM MSGR.

Support the Holy Land in Good Friday Collection

During Holy Week, the Gospel readings come to life in a special way as we gather to celebrate the life, death and resurrection of Jesus. The readings remind us of our special connection to the land where this great story unfolded. Supporting the church in the Holy Land is an historic mission. Since the time of St. Paul, Christians worldwide have understood the responsibility to support the land where Jesus walked. (cf. 2 Cor. 8-9)

It has never been easy to be a Christian in the Holy Land. In these challenging times in the Middle East, Christians are experiencing unique hardships. We have an opportunity to help them through the Pontifical Good Friday Collection.

Christians in the Holy Land face special challenges – many of which we hear about in the daily news. The political, religious and military challenges in the Holy Land are more complex than ever. Supporting the Collection offers hope to the Holy Land Christians.

It is important that Christians continue to live, work and pray in the Holy Land, where everything started. The Pontifical Good Friday Collection offers all Catholics an opportunity to express their solidarity with Christians in the Holy Land. A donation to the Holy Father's annual appeal is a direct way to make a difference in the lives of those caught up in war, violence and instability in this region.

We will take up that collection at our Good Friday Services and through the Archdiocese of Milwaukee. Send your generosity to the land of our Risen Lord.

Pilgrimage to Seven Churches April 6

At the end of the Holy Thursday Mass, the Eucharist is placed on a temporary "altar of repose" away from the sanctuary. It is customary for the faithful to then spend time in quiet prayer and adoration. The Seven Churches Visitation is a tradition that grew out of this time of prayer and adoration. Catholics remember when Jesus asked his disciples to stay and watch with Him while they were in the garden. This tradition of mindful watching is a sort of pilgrimage to various altars of repose, in different churches that correspond to each of the seven places, or "stations," that were made by Jesus between the Last Supper in the Upper Room to His crucifixion on the cross.

Upon entering each church, pilgrims visit the altar of repose, kneel, make the sign of the cross, read the appropriate scripture for each station and engage in private prayer and adoration.

This is a beautiful tradition through which we remember the events that took place during the night of Holy Thursday into Good Friday.

If you would like to journey to these stations, there will be a caravan traveling together to Seven Churches around the Menomonee Falls area and praying the seven stations together. We will meet in the parking lot of St. Mary Parish after the Holy Thursday Mass. Contact Karissa Tousignant (information on page 1) for information

Young Adult Group to Meet April 14

The next meeting for the St. Anthony and St. Mary Young Adult Group, Amici Dei, will be at 7 pm on April 14. All young adults ages 18 or older are welcome!

Meetings take place at St. Anthony Parish in the lower level of the St. Joseph Adoration Chapel building. We will be discussing the book of Acts along with food, community and fun! Bring a festive treat to celebrate Easter!

Easter Message from Archbishop Jerome Listecki

Dear Brothers and Sisters in Christ,

The road to Calvary was filled with suffering, the cross and our Lord's death. It appeared that all was lost — but he lives! He is risen from the very tomb that enclosed him and he establishes the way. The joy of Easter is that God's love conquers. The way to the empty tomb and everlasting life is through uniting ourselves to the cross.

Let this Easter be a time of renewal for your faith. See the sign of the empty tomb and rejoice in Christ's victory over your own sin and death. Resolve to return to him with your whole heart, trusting that he will provide for your every need. Live in the joy of the Resurrection and share that joy with those who have yet to experience it.

Like the disciples, let's proclaim in our church and to others in our lives: Alleluia! He is Risen!

This Easter season, I ask all members of our Catholic faith community to commit to growing more deeply in relationship with Jesus Christ. Commit to participating in Mass fully every week with joy, and invite others to share this experience with you. Commit to receiving the Sacrament of Reconciliation often, reading the Bible daily and praying always. Remember that the promise made by Christ thousands of years ago that his disciples would see him again is just as true today as when it was first proclaimed.

We proclaim your death, O Lord, and profess your Resurrection until you come again. Happy Easter!

Jerome E. Listecki

A LETTER FROM FR. LINN

We Are Responsible for the Safety of Children

April is Child Abuse Prevention Month. As Catholics, we have seen and experienced the pain and trauma that sexual abuse causes for victims, families, communities, schools and parishes. While St. Mary and St. Anthony Parishes are committed to ensuring that every child can feel safe in our parishes and schools year-round, during this month the Archdiocese of Milwaukee places extra focus on the prevention and awareness of maintaining safe environments for children to learn, pray, and grow. One of the ways we do this is through Safe Environment training. Every priest, deacon, parish or school staff member, teacher and lay minister that is employed by a parish or school and any volunteer working with minors must complete this child abuse and maltreatment prevention program.

Every year in the Archdiocese of Milwaukee, each parish and school are required to complete a report documenting their compliance with the Safe Environment Program's policies and procedures. The Archdiocese of Milwaukee Safe Environment Office uses those reports to compile an archdiocesan report for USCCB audit firm Stonebridge Partners on our archdiocesan compliance with the Charter for the Protection of Children and Young People. The Archdiocese of Milwaukee has been found compliant every year since 2004.

Each parish has a Safe Environment Coordinator to make sure we are compliant. For St. Mary and St. Anthony Parishes that person is Steve Cosentino (listed below). Feel free to reach out to him with any questions or concerns you might have.

A MESSAGE FROM MSGR. SHECTERLE, PARISH ADMINISTRATOR

Giving New Life to the Adoration Chapel

I am excited to share that soon we will install a beautiful new altar in the St. Joseph Adoration Chapel at St. Anthony. The altar is one of several planned improvements to the space, thanks to a generous donation, all intended to enhance and beautify the prayer environment while giving greater glory to God. It will be magnificent!

First, let me start by offering a prayer of gratitude to Isaac Weins, who, in 2010, first designed and constructed the Adoration space as an Eagle Scout project. Since then, it has been a quiet place of prayer and adoration for many years. It also helped facilitate the inauguration of Perpetual Adoration for St. Anthony and St. Mary. The current altar and refurbished tabernacle will remain in use, but in the Rectory Chapel. Thank you so much and may God continue to bless you.

The beautiful marble altar we are installing (lower right photo) was one of Fr. Linn's "rescues" from the now closed St. Mary of Czestochowa —Our Lady of Divine Providence. It will be installed with a few modifications (some indicated in the sketch, lower center photo) that will personalize it to our parish and reflect the character of the chapel.

The time frame for the installation is May 16-19, with prep work **starting this week — on April 17!**

Isaac Weins (center), pictured with John Bastin (right) and Dan Weins (left), led the effort to transform the space now known as the St. Joseph Adoration Chapel in 2010 as an Eagle Scout project under the parish leadership of Fr. Dennis Weiland & Sr. Nivard.

Our goal is for as much work as possible to occur on days and times when Adoration is not taking place, but some disruption is to be expected. (Jesus was a carpenter, so we think he would understand). To accommodate the work, Adoration will take place in the main church during daytime hours and the chapel during evening/overnight hours. (See details at bottom).

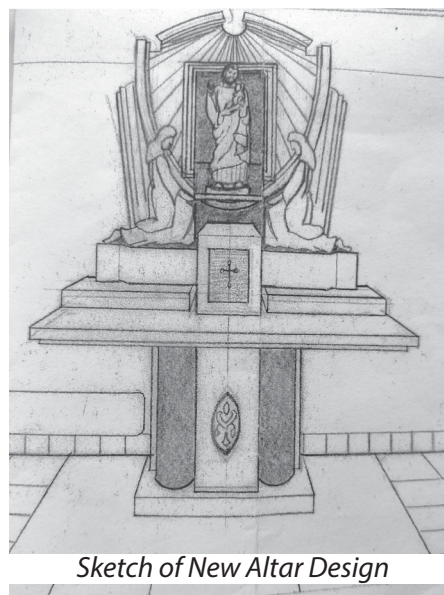

Another temporary change will occur when the current altar platform and railing are removed and the new altar base is attached to the floor. The altar of repose will be moved temporarily to the opposite wall of the chapel and Adoration rotated 180 degrees.

After the new altar is installed, Adoration will resume facing the original direction. Pews with kneelers (a "Msgr. Shecterle rescue" from Saint Francis de Sales Seminary) will replace the majority of the chairs in the space, although some will remain.

Please bear with us during this extraordinary moment for the St. Joseph Adoration Chapel and say a prayer to St. Joseph the Worker in thanksgiving for the grace of Adoration of our Lord with such beauty. There will be times when there is dust, and chairs askew. This disruption to the Adoration environment is only temporary, with the result to offer greater beauty and glory to God as we adore Him in the Blessed Sacrament.

Overnight Adoration (St. Joseph Chapel)

Overnight Adoration from 4 pm until after 8 am Mass will still take place in the St. Joseph Chapel. Jesus will be transported to the main church for daytime Adoration.

April Domestic Abuse Awareness

An abusive spouse often demands that the other does not work outside of the home and may use tactics to prevent them from seeking educational opportunities and gainful employment. Research shows financial dependency is the greatest barrier in leaving an abusive relationship.

To summarize the wisdom of Proverbs 31: the husband trusts in his wife as she works to maintain her household and uses the fullness of her talents and skills to invest in her family. She reverences the Lord and "Her children call her blessed; her husband also, and he praises her" and "Give her of the fruit of her hands, and let her works praise her in the gates."

A LETTER FROM FR. LINN

The Devotion of the Brown Scapular

The devotion of the brown scapular originated with the Carmelite order, and the Church has since recognized the practice of wearing a brown scapular for the laity as a sign of a person's devotion to the Blessed Mother and their hope to receive the fullness of God's life upon death with Mary's protection.

Our Lady of Mount Carmel has promised, "Whoever dies invested with this Scapular shall be preserved from the eternal flames. It is a sign of salvation, a sure safeguard in danger, a pledge of peace, and of my special protection until the end of the ages."

Those enrolled in the brown scapular promise to wear the scapular, to observe chastity according to their state in life, and to pray the Little Office of the Blessed Virgin Mary daily or abstain from meat on Wednesdays and Saturdays or pray three Hail Marys daily. It is also piously believed that Mary revealed to Pope John XXII that she would free those devoted to the wearing of the brown scapular on the Saturday after their death, a grace known as the Sabbatine privilege: "As a tender Mother, I will descend into purgatory on the Saturday after their death, and will deliver them into the heavenly mansions of life everlasting."

On the day of enrollment, one can also obtain a plenary indulgence, normal conditions being met.

Those who would like to practice this devotion are invited to be enrolled in the brown scapular after all May 12 and 13 Masses, at both parishes. Please bring your brown scapular with you (or obtain one prior to Mass. They are sold at Holy Hill Gift Store and Stempers) Please note that a metal brown scapular may be worn on a daily basis, but the cloth brown scapular must be used for the enrollment.

Meetings are Fridays at St. Anthony

All women are invited to join us for our new session focusing on the study of Divine Mercy, which kicked off on April 28.

Renowned speaker and author Fr. Michael Gaitley tells the dramatic history of God's love and mercy as interwoven through the transformative message of St. Faustina, the miraculous appearance of Mary at Fatima, the witness of Maximilian Kolbe, and the world-changing papacy of Pope St. John Paul II.

We meet at St. Anthony Parish in the lower level of the Adoration Chapel building each Friday at 8:45 am for fellowship; the meeting starts at 9:15 am.

For additional information or to join us, please contact Karissa Tousignant (details on page 2)

A MESSAGE FROM MSGR.

Strategic Plan for St. Mary Parish School will be Presented at a Town Hall Meeting on May 30

When we launched the Strategic Planning process, it was important that we hear from all of our stakeholders, and we appreciate your continued engagement and candor. Strategic planning is a collaborative process, and your voice and participation is vital. As a school and parish community, we are at our best when we work together as one team toward our shared goals and priorities – at the heart of which is providing excellence in Catholic education.

Over the past nine months, St. Mary Parish School has been deeply engaged in a conversation about who we are, what it means to be a Catholic grade school, and what our future holds. Many school staff and parish leaders, parents, teachers, parishioners, and community members were invited to participate in the planning process through surveys and interviews facilitated by our partners in this effort, faith-based planning firm Meitler. Thank you for sharing your feedback.

Now, we'd like to invite you to a Strategic Plan "Town Hall" meeting to preview the exciting initial outcomes of this process. We will share the plan's vision, values, and strategic goals for the next five years, as well as answer your questions. The event will be on Tuesday, May 30, from 6-7:30 pm in the St. Mary Parish School Activity Center.

We look forward to seeing you on May 30 to learn more about the Strategic Plan and join us in our excitement for what the future holds for our Parish School.

A LETTER FROM FR. LINN

Brown Scapular Enrollment this Weekend

The devotion of the brown scapular originated with the Carmelite order, and the Church has since recognized the practice of wearing a brown scapular for the laity as a sign of a person's devotion to the Blessed Mother and their hope to receive the fullness of God's life upon death with Mary's protection.

Our Lady of Mount Carmel has promised, "Whoever dies invested with this Scapular shall be preserved from the eternal flames. It is a sign of salvation, a sure safeguard in danger, a pledge of peace, and of my special protection until the end of the ages."

Those enrolled in the brown scapular promise to wear the scapular, to observe chastity according to their state in life, and to pray the Little Office of the Blessed Virgin Mary daily or abstain from meat on Wednesdays and Saturdays or pray three Hail Marys daily. It is also piously believed that Mary revealed to Pope John XXII that she would free those devoted to the wearing of the brown scapular on the Saturday after their death, a grace known as the Sabbatine privilege: "As a tender Mother, I will descend into purgatory on the Saturday after their death, and will deliver them into the heavenly mansions of life everlasting."

On the day of enrollment, one can also obtain a plenary indulgence, normal conditions being met.

Those who would like to practice this devotion are invited to be enrolled in the brown scapular after all May 13 and 14 Masses, at both parishes. If you are unable to make it this weekend, come see me and I will address enrollment individually.

A MESSAGE FROM MONSIGNOR

Join Us at the Eucharistic Congress on June 11

By now you may have already heard that the Archdiocese of Milwaukee is participating in the United States Conference of Catholic Bishops' (USCCB) call to have a "Eucharistic Revival" across the nation. This is a truly exciting movement, and our Archdiocese is joining countless bishops, dioceses, parishes, and apostolates to be healed, converted, formed, and unified by an encounter with Jesus in the Eucharist — and sent out in mission "for the life of the world."

The Official Kickoff of the Eucharistic Revival will be the Archdiocesan Eucharistic Congress on Saturday, June 10, at Mary Mother of the Church Pastoral Center and St. Francis de Sales Seminary.

The Archdiocesan Eucharistic Congress will consist of deepening formation on the Eucharist, Mass, Confession, a Eucharistic Procession, and Eucharistic Adoration throughout the day. It will primarily be inside at the Mary, Mother of the Church Pastoral Center but will involve some walking for the Eucharistic Procession.

While registration is handled through the Archdiocese (each person or family is responsible for registering) our parishes of St. Anthony and St. Mary are gauging interest in the idea of coordinating transportation to the Eucharistic Congress. If enough parishioners are interested, we will contact those who signed up on the interest form, located online and in the back of the church, to share the details.

More information about the Archdiocesan Eucharistic Congress can be found online at archmil.org.

Would you be interested in taking a bus to the Eucharistic Congress? Let us know! Sign up at bit.ly/stamrev or on the signup sheets at the back of the church.

A MESSAGE FROM MONSIGNOR

New Sunday Mass Schedule to Start this Fall

Over the past number of years, many of you at both parishes have asked about varying the Sunday Mass schedule for more options for worship. Many families have also told me that a 9 am and/or 9:30 am Mass time is optimal on Sunday mornings for families. So, after much prayerful discernment, consultation with and an endorsement by our Parish Pastoral Councils, we have decided to revise the Sunday Mass schedule.

An increasing number of St. Anthony and St. Mary parishioners are attending Sunday Mass at both churches. This new schedule will offer four different Sunday Mass times between the two parishes, which we hope will accommodate the different needs and schedules of those we serve.

Moreover, we want to foster Sunday as a day focused on God, family, and community through participation in both worship and family formation. The new Mass times, along with a new Faith Formation schedule, aim to draw our focus to the most formative element of life in the Catholic Church, the source and summit of our faith — the Holy Sacrifice of the Mass — upon which all other formation is built. Children and family formation opportunities will be scheduled on Sunday, including formation for younger children about the Sunday readings to enable adults to participate in their own formation opportunities. Specifically, Faith Formation for sixth grade through Confirmation and Adult Formation will be offered from 10:45 am to Noon at St. Mary Parish School.

Saturday Vigil Masses will remain unchanged.

We hope these modifications will help facilitate your growth in holiness, most particularly in these years of our nationwide Eucharistic Revival. Our new Sunday Mass Schedule will go into effect the weekend after Labor Day, Sunday, Sept. 10.

Domestic Abuse & Gender Dysphoria

Children who experience or witness abuse tend to have a disrupted identity, disconnecting from a sense of self and self-determination, often struggling with sexual identity confusion on account of insecure parental attachments.

In one study, 56% of adults with gender dysphoria reported four or more developmental traumas in their family of origin (Desilva Finley).

Calling from a place of exile, the psalmist cries out to God: "My soul is depressed; lift me up according to your word". "Let your mercy be ready to comfort me" and "Your word is a lamp to my feet and a light to my path" (Psalm 119: 28, 76&105).

A MESSAGE FROM MONSIGNOR

Corpus Christi Procession to Take Place June 11

In one week, we will be celebrating the Solemnity of the Corpus Christi, or the Most Holy Body and Blood of Jesus. Corpus Christi is reserved as a preeminent celebration of the real Presence of Our Lord, Body, Blood, Soul, and Divinity, in the Holy Eucharist.

On Sunday, June 11, we will participate in The Corpus Christi procession. In Latin, "Corpus Christi" means simply, "Body of Christ" and is another way of saying the "Solemnity of the Body and Blood of Christ."

The Corpus Christi procession has a long history that spans more than 700 years. We started the tradition in our faith community a little more recently -- seven years ago. A question that is sometimes asked is what is the reason behind this, and other public processions? When the Eucharist is carried through the street in a solemn procession with prayers and singing, we give public witness of faith and devotion toward the sacrament.

I ask you to prayerfully consider joining us at St. Mary after 10:30 a.m. Mass. We will process down Main Street and Appleton Avenue to St. Anthony. Bus transportation back to St. Mary will be available after the procession. For those who are physically unable to process, I invite you to join us for whatever portion you are able, or adore along the route.

Seeking Canopy Bearers

St. Anthony & St. Mary Parishioners are invited to participate in the the procession in a variety of ways, including as canopy bearers. Sign up on the parish websites, or call the office to sign up.

Let's Learn Latin!

This summer one of our St. Mary's teachers, Mr. Burleigh, will be offering a mini introductory Latin course for students 7th grade and up; parents and grandparents are welcome too!

A great number of English words come from Latin: eliminate, sacrifice, communicate, expect, legible, and mundane.

Knowing even a bit of Latin can bolster one's communication skills and, more importantly, it can clarify one's thinking. Because Latin does not involve memorizing conversational phrases as much as it does understanding simple patterns, it's like doing a puzzle!

For anyone who has longed to understand the Mass better, this is a fantastic opportunity to learn in focused yet leisurely environment.

The two-hour sessions will take place June 12-17 and 19-22, and another will be from August 7-11 and 14-18. All materials will be provided.

For questions or more details, email burleighp@smps.school!

FAITH FORMATION

2023-2024 Registration is Open!

Faith Formation Registration for 2023-2024 is now open! Scan the QR code or click on the link on our Parish websites to register. If you have questions, please contact Karissa Tousignant (grades 6 through Confirmation) or Ellen Schlosser (ages 3-12.) Our contact information is on page 2. We look forward to serving you and your family!

Is Our Good Shepherd Calling You?

Are you being called to help the children of our parish fall in love with God? Would you like to deepen your own faith by listening to His Word and pondering His action in the liturgy with the children? Our Catechesis of the Good Shepherd program is seeking catechists and assistants, as well as assistants who would enjoy serving children with particular needs.

For catechists, a two week certification program is offered (either on Saturdays throughout the year or intensives during the summer) that provides a deep foundation in Scripture, liturgy, and prayer as well as the pedagogy of the child. With formation in the Catechesis of the Good Shepherd you don't just learn a method, you become a catechist: "a keeper of the memory of God" (Directory for Catechesis). Please see the bulletin insert for more information.

For assistants, a three hour introduction to the method of Catechesis of the Good Shepherd will be offered. This role is open to both adults and teens.

Thank you for prayerfully discerning whether Our Lord is calling you to serve Him in this capacity.

Please contact CGS Coordinator Ellen Schlosser at schlossere@stam.church.

Totus Tuus Camp is June 25-30

Totus Tuus Summer Camp registration is still OPEN but please sign up ASAP by scanning the QR Code to the right. The camp takes place at St. Mary Parish. We are also still seeking volunteers to assist with the camp and snacks and meals for participants. Contact Karissa if you'd like to help.

Welcome, Totus Tuus!

This week we are pleased to welcome the Archdiocese of Milwaukee Summer program, Totus Tuus, to St. Mary. Please be aware there will be extra activity on St. Mary Parish grounds, and, as always, take care to mind traffic cones, as they are placed with safety in mind.

What is Totus Tuus? "Totus Tuus is a summer youth mission dedicated to sharing the Gospel and promoting the Catholic faith through evangelization, catechesis, Christian witness, and Eucharistic worship. The mission of Totus Tuus is to inspire in young people entering first through twelfth grade a true longing for holiness, a deep desire for daily conversion, and an openness to their vocation by constantly challenging them to give themselves entirely to Jesus through Mary and continually strengthen their prayer lives in imitation of Her."

Meet the Totus Tuus Team!

Catechists who are leading the program this week come from the Archdiocese of Madison. They are listed below. Say hello if you see them around the parish this week.

**Kaiden
Neumaier**

**Todd

**Birgitta

**Abi

Please note all weekday Masses at St. Mary (June 26-30) will be offered at 11:15 am, with the addition of a Monday morning Mass.

SVDP is Here for You

The St. Mary Parish St. Vincent De Paul (SVDP) Conference is now in the fifth year of continuing the work of our founder, Frederick Ozanam. We answer God's call to service by providing emergency assistance to neighborhood families for the basics of rent, utilities, food, gas, clothing, or household goods. This assistance is only possible through the generosity of our parish. We strive to grow in our own faith, be examples of Christ's love in the world and to include an invitation to prayer and worship to those that are served.

If you know anyone in need in the parish or community, please reach out to us at (262) 251-0220 or email

memorystam.church.

All information is confidential. Please consider joining the SVDP Conference. There are many ways to serve on the conference and we would love to have you! We are currently looking for volunteers.

Ramp Under Repair

Contractors have been working hard this week on the wheelchair ramp and some other concrete repairs around campus. God has blessed us with favorable weather and they should be completed soon. A chair lift is available in the other West entrance for those in need of assistance.

First Saturdays Devotion

The First Saturdays Devotion, also known as the "Five First Saturdays" is a special request by Our Lord and Our Lady to make reparation for all the sins against the Immaculate Heart of Mary. Our Lady promised personal salvation if we fulfill the five consecutive First Saturdays. There are four requirements to faithfully fulfill the five first Saturdays.

1. Go to Confession.*
2. Receive Holy Communion.
3. Pray five decades of the Holy Rosary.
4. Meditate for fifteen minutes on the mysteries of the Holy Rosary. (Separate from praying the Rosary.)

Checklists to aid in this devotion are at the church entrances.

*Confession may be done on other days other than the First Saturdays so long as one receives Our Lord worthily and has the intention of making reparation to the Immaculate Heart of Mary.

Let's Learn Latin!

This summer one of our St. Mary's teachers, Mr. Burleigh, will be offering a mini introductory Latin course for students 7th grade and up; parents and grandparents are welcome too!

A great number of English words come from Latin: eliminate, sacrifice, communicate, expect, legible, and mundane.

Knowing even a bit of Latin can bolster one's communication skills and, more importantly, it can clarify one's thinking. Because Latin does not involve memorizing conversational phrases as much as it does understanding simple patterns, it's like doing a puzzle!

For anyone who has longed to understand the Mass better, this is a fantastic opportunity to learn in focused yet leisurely environment.

The two-hour sessions will take place August 7-11 and 14-18. All materials will be provided.

Let's Learn Latin!

This summer one of our St. Mary's teachers, Mr. Burleigh, will be offering a mini introductory Latin course for students 7th grade and up; parents and grandparents are welcome too!

A great number of English words come from Latin: eliminate, sacrifice, communicate, expect, legible, and mundane.

Knowing even a bit of Latin can bolster one's communication skills and, more importantly, it can clarify one's thinking. Because Latin does not involve memorizing conversational phrases as much as it does understanding simple patterns, it's like doing a puzzle!

For anyone who has longed to understand the Mass better, this is a fantastic opportunity to learn in focused yet leisurely environment.

The two-hour sessions will take place August 7-11 and 14-18. All materials will be provided.

For questions or more details, email burleighp@smpls.school!

Parishes Recognized for 40 Years of Supporting the Falls Food Pantry

On June 10, Menomonee Falls Food Pantry celebrated 40 years of serving families in need in the community. As part of the celebration, St. Anthony and St. Mary parishes were recognized with plaques for providing faithful service since the pantry's inception, and being among the pantry's 12 founding members — the Falls Area Christian Taskforce. The mission of the Menomonee Falls Food Pantry is "to gather and distribute nutritious food to residents in need in the greater Menomonee Falls area" as well as to "raise awareness of hunger in our community, to address the needs of people and to provide opportunities for individuals to serve one another." The food pantry has been open on Tuesday and Thursday afternoons and evenings ever since it opened. St. Anthony and St. Mary parishes provide volunteers to the pantry 4 days out of the year. Two volunteers are needed at each shift, with two shifts per day.

If you are interested in serving the Menomonee Falls Food Pantry through our church partnership, please contact Sara R. at (262) 251-8507 (St. Anthony) or Diane H. at (262) 255-3633 (St. Mary). Food for the pantry is also collected at each parish: the Gathering Space at St. Anthony, and the West Wing entrance (inside a designated closet) at St. Mary. Thank you to all who volunteer and donate.

Have You Done Your Christmas Shopping Yet?

The Human Concerns Committee and Elizabeth Ministry are counting on you to make our Christmas in July a success for the Hope Network and Life Connection, organizations that helps single mothers in our community.

Thanks to everyone who has already donated. We are truly grateful for your blessings. There is still time to

grab a tag or two from our Christmas trees located in the church entrances and return unwrapped items. Gift cards should only be given to the Elizabeth Ministry representative in the west wing or placed in the collection basket in a clearly marked envelope that says Christmas in July Program. Contact Jodi Reesman at (262) 253-0814 with questions.

The Rosebud Program

The Rosebud Program helps identify, pray for, and support those who are pregnant, celebrating birth or adoption, grieving miscarriage, stillbirth, abortion, infant or child death, wanting to become pregnant or adopt, offer support to grandparent concerns and those facing troubled times. The "Blessing Bouquet" is displayed in the west wing of church with instructions on how to select the appropriate colored rose from the basket, fill out an attached card and place the rose in the vase. There are coordinating prayer cards for personal meditation. Following the example of Mary and Elizabeth, we visit and share the sacredness of life!

Domestic Abuse Awareness:

Healing with Spiritual, Moral, & Emotional Courage

Courage, by definition, is “the quality of mind or spirit that enables a person to face difficulty, danger, or pain”. Spiritual courage involves questioning one’s life and the choices one is making. Moral courage involves standing up for one’s values and convictions. It requires emotional courage to enter therapy to heal past wounds, to experience the fullness of one’s emotions, and to learn new skills to manage emotions and relationships.

Those who approached Jesus despite their fear, for example the woman who spent all she had at the hands of doctors, were healed on account of their faith in Jesus. “Daughter, your faith has made you well; go in peace and be healed of your disease” (Mark 5: 34). Jesus continues to heal in the Sacraments of reconciliation and when receiving the Eucharist in a state of grace.

So a heartfelt huge THANK YOU to all those who hosted the team for dinner, dropped off lunch, came and volunteered during our day program with the students and to Kelly Heyrman for hosting our ladies at her home for the week. A MESSAGE FROM MSGR.

Renew Your Faith: Join the Eucharistic Revival

This weekend in our parishes, we are marking the official kickoff of the National Eucharistic Revival, a movement to restore understanding and devotion to the source and summit of our faith, the Eucharist — the real presence of our Lord Jesus, Body and Blood, Soul and Divinity.

As a parish community, the revival isn't a "new" initiative, as much as it is a way to highlight and enhance the opportunities we already offer—with our hearts and minds always fixed on strengthening our liturgical life through the faithful celebration of the Holy Mass, reception of the Eucharist, and Adoration.

Over the next year, you'll be invited to deepen your faith in a variety of ways. This weekend, we would like to invite you to do the following:

- **Pray "Come Reign in Us,"** a Eucharistic prayer for the family. Each parish family is invited to take one of the prayer cards from the pews and encouraged to pray it together at home.
- **Adore the Eucharist.** The parishes are looking to expand Perpetual Adoration by adding hours from 7 pm Mondays, overnight, to 9 am Tuesdays. If these hours are added, Perpetual Adoration would take place starting at 9 am on Mondays until 5 pm on Friday. Sunday Adoration would remain the same. You can sign up for one of these Holy Hours by visiting bit.ly/stamadoration (We will make an announcement when the hours are filled and can be officially open.)
- **Learn.** Visit the resource kiosks at the church entrances at St. Mary or in the Gathering Space at St. Anthony. We have new inventory from The Augustine Institute available for purchase. You can find books and CDs about understanding the Mass, the real presence in the Eucharist, and making the most of confession.

Thanks for the Many Years of Support

The Karen Refugee Ministry (formerly Burmese Refugee Ministry) at St. Mary is coming to an end as we are unable to meet the Archdiocese of Milwaukee requirements to fill board member positions.

Our members would like to offer a heartfelt "thank you" to parishioners for their financial and volunteer support over the past 10-plus years, which enabled the ministry to help, on average, 300-400 refugees each year.

Thank you and God bless you!

Honor Life and Our Lady of Guadalupe

Knights of Columbus Silver Rose Service is Aug. 7

A silver rose on a 9-month pilgrimage will be the centerpiece of a special prayer service at St. Anthony Parish on Monday, Aug. 7 after the 8 am Mass to honor Our Lady of Guadalupe and express both international unity and dedication to the sanctity of human life.

Each year, from early March through mid-December, Silver Roses are steward-ed by Knights of Columbus councils along routes from Canada to Mexico. Every stop the Silver Rose makes throughout the pilgrimage is a rosary-centered occasion for Knights, parishioners and community members to pray for respect for life, for the spiritual renewal of each nation, and for the advancement of the message of Our Lady of Guadalupe.

The Silver Rose Program began in 1960, when the first rose – a real, live one – was blessed by a bishop in Ontario. The rose then traveled to New York and then to Texas where it was taken across the border into Mexico. The rose ended its pilgrimage at the Basilica of Our Lady of Guadalupe in Monterrey on Dec. 12, the Feast of Our Lady of Guadalupe. To better ensure future annual trips, a silver rose was ultimately made.

Today, due to the popularity of the program throughout the North American continent, eight silver roses travel unique routes.

Busy Mother's Prayer

Here is a moment, Lord, in the flurry of the day to pause and pray. I lift up to Your majesty and might my spouse, (Name) and my child/ren, (Name/s). Grant them the grace they need most today. Give me patience in the chaos of life; grant me the prudence and wisdom necessary to balance the demands of home and heart and work. Keep me tethered not to tasks and money, but to faith, hope and love. Help me to remember that "The greatest of these is love." (1 Cor 13) Amen.

Submitted by the
Elizabeth Ministry
of St. Mary

(Printed with permission from Leaflet Missal Company)

*"Know that you will probably gain more by praying 15 minutes before the **Blessed Sacrament** than by all other spiritual exercises of the day. True, Our Lord hears our prayers anywhere, but He has revealed to His servants that those who visit Him in the Blessed Sacrament will obtain a more abundant measure of grace.*

-St. Alphonsus Liguori

FROM THE PRINCIPAL'S OFFICE:

St. Mary Alumni Achieve Academic Success

If I told you St. Mary Parish School students receive the best faith-based educational experience around — you might tell me that I am biased. Doesn't every Catholic principal feel that way about their school? I hope so! But in my case I am making that bold claim with some solid evidence behind it.

Recently I received a letter from Marquette University High School Principal Jeff Monday. This is the kind of letter any principal loves to receive. Monday writes:

"I wanted to share the good news of the students who graduated from St. Mary and are now on the honor roll at Marquette. Of course, the foundation for a student's success in high school is established in elementary school and middle school. Please share this good news with your faculty and school community."

Not every high school is in the practice of sending a letter like this. If that was the case, I am certain I would receive many more. This is just one recent example of the many St. Mary alumni success stories.

Our alumni excel in academics, sports, and other pursuits because of that "foundation" Monday mentions that was established in St. Mary classrooms and the parish community. I congratulate these MUHS students and their families on this achievement — and all of the other St. Mary alumni and families — who continue to challenge their minds, develop their character, and live Jesus.

I also congratulate our teachers, staff, coaches, volunteers, and church leaders who helped shape these and all of our alumni. We share in their success! *A list of the students who made the MUHS honor roll is on our website, stmaryparishschool.org*

A Note of Farewell & Appreciation

Dear St. Anthony & St. Mary Parishioners,

Greetings and blessings! As we move into the end of August, we begin to see the natural change of seasons, the days get shorter, the preparation for a new school year, and a new Faith Formation year. Although change can be hard, it can also be an opportunity through which the Lord is calling us to step outside the boat, as He called Peter to do in our Gospel last Sunday. The Lord invited Peter to step outside the boat, to trust Him and follow Him into unknown waters, into new beginnings and change. To that extent I wish to share with you the start of a new journey in my life. Over the summer the Lord has slowly and patiently called me to take leave of St. Anthony and St. Mary Parish to begin a new journey at St. Dominic Parish in Brookfield. While this decision was not easy, I can easily see the work of the Lord's hand asking me to step outside the walls of St. Anthony and St. Mary Parish and follow Him in serving the people of St. Dominic.

I desire each of you to know that I have been honored to serve you, the faithful people of St. Anthony and Mary Parish and I will miss you greatly. You have all brought me so much joy and taught me so much. I will carry each of you in my heart as I take this next step. Please keep me in your prayers and know that I will continue to keep you and the parishes in mine. May God Bless you all.

Sincerely,

Karissa Tousignant

A NOTE FROM PARISH LEADERSHIP:

While we are sad to see Karissa go, we are grateful for her dedication to our parish over the years. Please join us in praying for her as she embarks on a new opportunity. We are currently in the process of discerning new leadership for these programs, but rest assured our catechists are in place and are excited to share the faith with your students! We are looking forward to seeing you!

If you have any administrative questions regarding program registration, please feel free to contact the parish office (262) 251-0220. Please offer a prayer to our Blessed Mother and through the Intercession of St. Anthony the Hermit, for a faith-filled director to surface for the Faith Formation Program of our Parishes. Thank you for the opportunity to provide formation and sacramental preparation for you and your children.

Peace,

Msgr. Ross Shecterle

A MESSAGE FROM MSGR.

Thank You for Your Consolation & Comfort

On behalf of my dad and my family, I would like to sincerely thank you for your faithful support and prayers for consolation on the occasion of the death of my mom, Lois.

My family was humbled and in awe of the turnout for her visitation and funeral in mid-July. A great number of memorials were offered to Saint Francis de Sales Seminary and to both our parishes, in her name, and we are so grateful and overwhelmed.

So many of you continue to ask how my dad is doing and offering prayers for him. It is impossible for me to personally thank all of you, but please know that I intend to offer a Mass of Thanksgiving for all of you who brought my family comfort and peace. May the soul of Lois and the souls of all the faithful departed rest in peace. St. Mary, Mother of God, and St. Anthony the Hermit, pray for us. Once again, my most humble and sincere thanks.

Peace,

Msgr. Shecterle

Domestic Abuse & Parental Attachment

Attachment is a psychological concept that refers to the child's style of seeking connection and comfort with a parent. In homes with domestic abuse, the child often develops a conflicted disorganized attachment bond in that a parent is both a source of terror and protection. The inner lives of these children are chaotic and they struggle with regulating their emotions, maintaining attention, and having life-giving relationships with other people. Feeling unsafe and distrustful, these children isolate themselves from others into adulthood, and they tend to be afraid of God. Yet, in revealing Himself in Jesus, a person is encouraged to see the proof of God's love by the kindness and sacrifice he made for others. With a personal relationship with Jesus, a person can form a safe, trusting, and reliable lifelong attachment bond.

"Do you hold his priceless kindness, forbearance, and patience in low esteem, unaware that the kindness of God would lead you to repentance?" (Rom 2:4).

Mass Intention Book Openings

The Mass intentions for 2023 are full. The Mass intention book for January 1 through December 31, 2024 will be open Monday, Sept. 18.

Offering a Mass for a specific intention is a long-held Catholic tradition in which the priest, as a mediator between God and man, offers the graces of Mass for the specific intention requested. A Mass may be offered for the repose of the soul of someone who has died, on the occasion of an anniversary, or some special need.

The Mass offering is \$10 per intention, as determined by Archdiocesan policy. Checks or cash will be accepted. A total of 6 Masses per person may be scheduled each year. No more than 3 may be on the

weekend. Please stop by the St. Anthony Parish Office during business hours (8:30 am to 2 pm) Monday, Wednesday, or Thursday if there's someone you'd like a Mass said for.

Missionary Cooperation Plan Weekend

Welcome Maternal Life International!

Every year, St. Anthony and St. Mary parishes welcome a mission group as part of the the Archdiocese of Milwaukee Missionary Cooperation Plan (MCP) coordinated by the Society for the Propagation of Faith.

The MCP has two primary purposes: 1) To support missionary fundraising. 2) To ensure that all parishioners have their eyes and hearts open to the story of the global Church.

This weekend we welcome Hillary and Jeff James, the directors of Maternal Life International, which is a Catholic mission that works to make births safer and families healthier in the developing world by:

- Promoting safe births and secure families in Africa and Haiti;
- Providing trainings in resource-limited hospitals to reduce infant and maternal mortality; and
- Partnering with African dioceses to promote faithful marriage, healthy happy childhoods and simple natural family planning programs to strengthen families.

To support MLI, please place a donation in one of the envelopes in the pews labeled Missionary Cooperation Plan (MCP) Checks should be made out to the parish (either St. Mary or St. Anthony) and in the memo please write MCP and return it to the parish office or the collection basket at one of the Masses next weekend. All MCP Donations via check should be made payable to the parish. Cash and checks are collected and deposited into the parish account and we send a single check for the total amount to the Society for the Propagation of the Faith (SPOF) for recording and distribution of funds.

If you'd like to learn more about MCP, please visit archmil.org/offices/world-mission/MCP.

A MESSAGE FROM MSGR.

Are You Up to The Eucharistic Challenge?

If you have been attending Mass regularly over the past year, or reading your weekly bulletin, you are probably already aware of the National Eucharistic Revival that is currently underway throughout the U.S. If not (or for those who need a refresher) the National Eucharistic Revival is a movement to restore and deepen understanding of the source and summit of our faith, the Eucharist — the real presence of our Lord Jesus, Body and Blood, Soul and Divinity.

Over a three-year period, we are invited to discern and respond to the Lord's call to unite us through the celebration of the Eucharist. The first year was an invitation to bishops, priests, and diocesan staff to plan and pray.

This year is about fostering Eucharistic devotion at the parish level, strengthening our liturgical life through the faithful celebration of the Mass, Eucharistic adoration, missions, resources, preaching, and organic movements of the Holy Spirit. As a parish community, the Eucharistic Revival isn't a "new" initiative, as much as it is a way to highlight and enhance the opportunities we already offer. One of these opportunities is the 2023-24 Faith Formation Speaker Series — a monthly talk after the 9:30 am Mass (St. Mary) in the lower level conference rooms of St. Mary Parish School. Fr. Linn is the first speaker in the series, and will start us off with a talk about...you guessed it, The Eucharist! Hopefully, you are able to join us.

This weekend, we are also kicking off a 12-month Eucharistic Challenge. Each month you are invited to participate in a spiritual formation activity to help deepen your faith. (Full disclosure: we "stole" this idea (in concept) from Fr. Kevin Harmon who was with us at St. Mary & St. Anthony as a seminarian and is now associate pastor at St. Frances Cabrini in West Bend.)

The first challenge is to read "This is My Body" by Bishop Robert Barron. It's a brief text that helps us to understand the sacrament of Jesus' Body and Blood more thoroughly so that we might fall in love with Him more completely. Pick up a copy of the book, and the Eucharistic Challenge, as you leave the church this weekend.

Domestic Abuse Awareness

From Chaos & Rigidity toward Kindness

In couples with domestic abuse, one or both spouses have chaotic or rigid ways of communicating in their relationships on account of insecure bonds experienced with their early caregivers.

The path to individual healing involves developing self-awareness by fully experiencing oneself through their five senses in the present moment. God exists in the present moment and in taking time to place oneself in God's presence with a focused attention of the present experience, the person's neural pathways of the brain become integrated toward wholeness.

Natural outcomes are self-compassion and over time, a person becomes more attuned and kinder to others.

"Be Still and Know that I am God." (Psalm 46:10).

STAND UP FOR LIFE

40 Days for Life Kick-off is Sept. 25

Please join us for 40 days for Life and pray an hour to end abortion. 40 days for life begins Sept. 27 and ends Nov. 5.

The visible, public centerpiece of 40 Days for Life is a focused, 40-day, non-stop, round-the-clock prayer vigil outside a single Planned Parenthood center or other abortion facility in your community.

The kickoff event is a candlelight prayer vigil on Monday, Sept. 25 at 7 pm at the Planned Parenthood on 435 S. Water Street in Milwaukee with Bishop Schuerman presiding.

40 days for Life is an international non-profit group that is based on prayer, fasting and community outreach. For more information, visit 40daysforlife.com

Novena for Life to Start Sept. 30

The protection of life is a sustained prayer intention of the Church, and of the Knights of Columbus. The Knights remain firmly committed to defending the right to life of every human being — from the moment of conception to natural death. To commemorate and bolster this important cause, our council will promote a Novena, nine days of sustained prayer, to reinforce a culture of life in our parishes, homes and wider community.

The Novena will begin with a Rosary on Saturday, Sept. 30, a half hour before the Vigil Mass, and will end with a Rosary on Sunday, Oct. 8, a half-hour before the first Sunday morning Mass. Prayer cards will be distributed by the Knights, and placed in the pews at both St. Mary & St. Anthony parishes. We hope you join us in prayer!

Join Us for Life Chain on Oct. 1

Join fellow parishioners and other pro-lifers around the country as we take a stand against abortion on Sunday, Oct. 1 from 2-3:30 pm for the Life Chain for the unborn.

Life Chain is a peaceful and prayerful public witness of pro life individuals praying for 90 minutes for an end to abortion. We will meet in the northwest parking lot of Mayfair Mall closest to Mayfair Road. Signs will be provided. All who are unable to stand for 90 minutes are welcome to bring a chair.

If you'd like to carpool, meet in the St. Anthony Parking lot at 1:30 pm in front of the school building (Chesterton Academy). Questions? Call the parish office.

A MESSAGE FROM MSGR.

Marian & Eucharistic Procession is Oct. 7

About 2 years ago, we started a tradition of leading a Eucharistic and Marian Procession in October to give public witness of our faith and devotion toward the Holy Sacrament and our Blessed Mother. We will continue this tradition — in the **evening** — on **Oct. 7, the feast of Our Lady of the Rosary.**

The procession will begin after the 4:30 pm Mass at St. Anthony and conclude at St. Mary. Join us as we process Jesus Himself in the Eucharist and a statue of the Blessed Mother down Appleton Avenue and Main Street or adore along the route. There will be a bus to take those who walked the full route back to St. Anthony. **If you'd like to participate in the procession, volunteers are needed** to assist in a variety of roles, including to carry the canopy and the statue of Mary. **Sign up online at bit.ly/stam2023.**

Adoration Q&A with the Deacons

If you've never participated in Eucharistic Adoration — you are not alone. Many Catholics are unfamiliar with the devotion or have some confusion about what "it is" and how "it works."

In an effort to demystify this devotion, our parish deacons will offer a brief explanation of Eucharistic Adoration and answer your questions after Masses in the coming weeks. Our hope is that you will feel confident and encouraged to truly transform and deepen your relationship with Jesus. The Q&A will take place immediately after the Masses listed.

Oct. 7: 5 pm (St. Mary)	Oct. 14: 4:30 pm (St. Anthony)
Oct. 8: 7:30 am (St. Mary) 8:30 am (St. Anthony)	Oct. 15: 9:30 am (St. Mary) 10:30 am (St. Anthony)

St. Vincent de Paul (1581-1660)

On Sept. 27, the Catholic Church remembers St. Vincent de Paul, the French, 17th century priest known as the patron of Catholic charities for his apostolic work among the poor and marginalized.

Founder of the Congregation of the Mission, Daughters of Charity, Confraternities of Charity, and Ladies of Charity, his contributions to the training of priests and organizing parish missions and other services for the poor shaped the Church's role in the modern world.

Pope Clement XII canonized him in 1737 and he lives on in the Vincentians, with nearly 4,000 members in 86 countries. St. Mary's SVDP Conference continues the work of St. Vincent, serving those in need in the parish and community.

FROM THE PRINCIPAL'S OFFICE

'Walk' Provides Important Funding

It's hard to believe it is already October and almost time for the Catholic Schools Walk! The Catholic Schools Walk is one of three fundraisers that are built into our school budget for the year.

One of the great things about this fundraiser is that we get to keep 100% of the money raised! As a bonus, if we are one of the top fundraising schools, we are eligible for a matching donation up to \$5,000. We are budgeted to raise \$30,000 through the Walk, and as of Sept. 30 we are on our way with \$11,000.

The walk itself will take place from 8-10:30 am on Saturday, Oct. 21, in Rotary Park in Menomonee Falls. This 1.3 mile course will open at 9:15 am after a prayer led by Fr. Linn. Come early and enjoy some donuts, coffee, water and fellowship. Along the walk, you will find fun games and candy.

The other two fundraisers that are part of our budget are the calendar raffle (\$6,500) and the annual appeal (\$50,000). These efforts, like the Catholic Schools Walk, provide us with 100% of the funds raised — after the cost of raffle payouts and/or printing and mailing annual appeal materials — and help us with our operating expenses.

Thank you for supporting the school through these fundraisers, as we cannot balance our budget without them. I hope you will join us on the walk. If you'd like to make a donation, you can do so online at stmaryparishschool.org or in person Oct. 14 & 15 when students will take a collection after Masses. We will also have a table at Feastable on Friday, Oct. 20. I hope to see you at the walk!

Adoration Q&A with the Deacons

If you've never participated in Eucharistic Adoration — you are not alone. Many Catholics are unfamiliar with the devotion or have some confusion about what "it is" and how "it works."

In an effort to demystify this devotion, our parish deacons will offer a brief explanation of Eucharistic Adoration and answer your questions after Masses in the coming weeks. Our hope is that you will feel confident and encouraged to truly transform and deepen your relationship with Jesus. The Q&A will take place immediately after the Masses listed.

A MESSAGE FROM MONSIGNOR

Thank You for Supporting the Parishes

It was about a year ago that we were in the thick of the Love One Another Campaign — the forward-looking Archdiocesan initiative to benefit both the greater faith community and individual parishes over a five year period.

I am grateful for the generous pledges of St. Anthony and St. Mary parishioners. Your sacrificial support strengthens our mission and ministry here in Menomonee Falls and enables us to provide necessary resources to expand and enhance critical Catholic ministries throughout the Archdiocese of Milwaukee.

Please know that your pledges are coming in and, as of August, \$297,351.17 of LOA pledges have been fulfilled at St. Mary and \$77,582.41 have been fulfilled at St. Anthony. Your generosity is already making a difference in our parish community, specifically:

- At St. Anthony we were already able to make a significant payment — \$50,000! — toward our debt reduction.
- At St. Mary, before the year's end, we will repair air handling units in the lower-level classrooms of the Parish School — a critical building and grounds needs.

Again, we are humbled and so grateful for your support and continued fulfillment of your pledges. With God's grace and your support, this campaign will continue to strengthen our Church.

A tax statement for any pledges paid in 2023 will be provided at the appropriate time. My goal is to provide a quarterly update on how the LOA funds are making a difference in our parish community, but if you have a specific question, don't hesitate to contact the parish office.

Spiritual Adoption Program in Our Parishes

Every day over 3,000 babies are killed by abortion. Prayer is the best weapon to help them. This weekend, we will be starting a 9-month Spiritual Adoption Program in St. Anthony and St. Mary parishes.

How it Works:

Participants pledge to pray for nine months for a baby in danger of abortion. During each month of the program, the "spiritual parents" are given information about their baby's development in the womb.

While this child will remain unknown to his or her 'spiritual parent', God knows who the child is. Many people have found that naming 'their child' helps to keep them focused on the reality that their prayers are helping to save a particular baby from the harm of abortion.

What You Do:

Participation is easy. Simply take a prayer card in the Gathering Space/church entrance. Say the short prayer by Archbishop Fulton Sheen each day for nine months, praying for the baby and parents. If you like, give your baby a name and put the prayer card somewhere where you will see it during your daily routine.

During the nine months of the program you can follow the development of your baby in the womb. We will have posters in the Gathering Space/entryway and monthly updates in the bulletin (The first update is on page 3.) During your earthly life this spiritually adopted child of yours is known only to God, but in the world to come it is hoped that you will meet the child whose life was spared by your prayers.

Spiritual Adoption

Developing Baby – “I’m here!”

At the moment the father’s sperm and mother’s egg unite a new and unrepeatable human being comes into existence, complete with her own unique set of DNA.

Although she is only one cell, everything about this little person is already present: color of eyes, blood type, the height she will grow to be, color of hair – everything! She will play a role in her family and her community – a role only she can play! Nothing is added after conception to make her a complete human being. She already exists; all she needs is nourishment, a safe, warm environment, and most of all – love.

Her parents don’t even know she exists yet. Pray for them to safely bring their baby to birth so she can fulfill the mission God has for her.

Focus of Attention, Mental Health, and Eucharistic Adoration

Submitted by Monika Wiese

Neuroscientists have made exciting discoveries on the importance of one's focus of attention and how it can literally change one's brain structure. As a mental health practice, or mindfulness, a person begins in a relaxed state and uses their five senses to become mentally aware of all they are experiencing in the present moment. The focus then shifts to their inner state and in becoming aware of feelings, thoughts, and body sensations. With this personal focus of attention and in a state of receptivity, a person is open to new information and the flow of energy. Throughout this process, different parts of the brain in the middle prefrontal cortex are connecting and healing to bring about greater capacity for empathy, self-understanding, emotional regulation, and emotional and social intelligence. As a person becomes more in touch with their own inner experience, they develop the capacity to connect with other people and attune to their inner emotional experiences. Persons with a history of trauma particularly benefit from this practice over time and can experience healthier relationships with themselves and others.

"Be Still and Know that I am God" — Psalm 46:10

During Eucharistic Adoration, one's focus of attention is on our Lord with the same receptive stance and awareness. Over time, a secure relationship bond is formed with Jesus, accompanied by a deep experience of peace as the brain develops new healing pathways. The long-term outcome of these practices are kindness and compassion towards self and others with increased positive relationships and social connectedness. Finally, research shows a greater sense of gratitude and generosity towards others.

Catechesis of the Good Shepherd

No atria sessions Oct. 31 & Nov. 1

The Solemnity of All Saints is a holy day of obligation, a day when the Church asks all her children to celebrate together at Mass. Please attend mass as a family in lieu of the atrium session. Consider having a celebratory meal or special dessert to continue the celebrations at home! Families might also pray a simple version of the Litany of Saints by inviting each child to name their favorite saint while the rest of the family responds with "pray for us."

Mass of Anticipation (Oct. 31):

St. Anthony 5:30 pm (Confessions at 5:00pm)

Solemnity of All Saints (Nov. 1):

St. Mary: 6:30 am, 8:10 am, 6 pm

St. Anthony: 8 am

Thursday Sessions: On Nov. 2, Feast of All Souls

Parents and children from Level 1 are invited to join the children from Level 2 and Level 3 at 5:30 pm as they walk through the cemetery praying for those who are buried there and placing flowers on the graves.

A MESSAGE FROM MSGR: Save the Date

St. Anthony & St. Mary Auction on March 16

If you have been a long-time parishioner of either St. Anthony or St. Mary, you know that in the past, each parish has hosted a gala or auction style event as a means to provide the respective parish with important financial support. Thanks to your previous stewardship, we were able to replace the church lighting at St. Anthony and the roof and the bells at St. Mary, as well as many other projects over the years.

In 2024, we will again be hosting a parish auction but we are trying something new. After discussing the idea with pastoral councils at St. Anthony and St. Mary, we decided next year that we would host a combined event. Approaching the auction in this manner will allow us to raise funds for each parish in proportion to donor participation, while allowing us to be good stewards of existing resources by minimizing the associated expenses for both parishes.

The theme of this year's event is "An Irish Blessing" and it will take place at Davians in Menomonee Falls on March 16. Planning an event of this kind requires many volunteers helping in a myriad of ways — from procuring donations to data entry. We will also be looking for a variety of auction items and event sponsors. If you'd like more information about supporting the auction in any of these ways, please contact the parish office.

In the meantime, mark your calendar and save the date for "An Irish Blessing," the St. Anthony & St. Mary Auction on March 16. If you are new to the parish, attending the auction and volunteering to plan it are great ways to get to know the other members of our parish.

A MESSAGE FROM MSGR: Names to Inspire

If you have recently visited St. Anthony, you may have noticed new signage on our buildings. I am excited to announce that the Christian Formation Center (CFC aka "St. Joseph Perpetual Adoration Chapel building") and the rectory have been renamed to honor the saints for whom we hold relics, St. Therese of the Child Jesus and St. Edward the Confessor, respectively.

The relics, which are sealed in the reliquary below the altar, were originally dedicated just over 17 years ago, on Oct. 8, 2006. We hope that the brightly colored icons of the saints on these signs, as well as the new parish office sign that features our patron, St. Anthony the Hermit, will serve as a constant visual reminder of the holiness to which we are all called, and the saints who, by their example, show us how to dedicate our lives to Christ.

Maternal Life International is a Catholic mission promoting safe births and secure families in Africa and Haiti.

Parishioner contributions were \$1,920 from St. Anthony and \$7,709 from St. Mary. Thank you all for your support.

St. Mary Joins the Fight Against Hunger

St. Mary parishioners passionate about combating hunger in the community are invited to participate in a new lunch-making ministry with St. Anthony. Every month, St. Anthony parishioners collect lunches for StreetLife Communities, a homeless outreach organization located in Milwaukee.

Previously, St. Mary provided lunches to the homeless through the Franciscan Peacemakers Sandwich Drop, but as the Franciscan Peacemakers changed its focus, St. Mary pursued other opportunities to feed the hungry. If you'd like to learn more, please email stanthony-serves2023@gmail.com.

Around the Archdiocese: Learn about Prayer with Fr. Loyola

Prayer is a natural attraction for some and a strain for others. It is generally associated with thoughts, words, and/or external performances, but little is taught about how to "experience" prayer.

Join Fr. Loyola to learn how contemplative prayer can calm and transport us beyond a state of mind and body relaxation.

Fr. Loyola Amalraj is a senior priest of the Archdiocese of Milwaukee, and former pastor of St. Boniface parish in Germantown. Fr. Loyola holds a PhD in Counseling from Marquette University, and he is the author of two books on spirituality and psychology. Saturday, Nov. 18 at 9 a.m. to 11 a.m. at St. Anthony on the Lake, located at W280N2101 Prospect Ave. in Pewaukee. For information, call (262) 691-1173.

FROM THE PRINCIPAL'S OFFICE

Strategic Plan Brings New Role to School

At the end of the 2022-23 school year, St. Mary Parish School presented a 5-Year Strategic Plan that will guide us toward a brighter future. One of the goals that emerged in this plan was hiring a director of teaching and learning to oversee and advance the academic component of the school. If you haven't met her yet, here is a quick Q&A with Erika Mogilevsky who joined us this fall to fill this position. She's been a great addition to our community — Principal Linda Joyner

Linda Joyner
Principal

Q&A with Our Director of Teaching & Learning

Q: Where are you from?

A: My husband and I live in Jackson.

Q: What does Catholic Education mean to you?

A: The experiences I had growing up and attending St. Mary's School in Mayville sparked my passion for Catholic education. Through teaching rooted in the Catholic faith, I was encouraged to develop virtues such as compassion, empathy, integrity,

and respect for others. The values I learned in Catholic school shaped me to be the person I am today. I am grateful for the committed Catholic educators who nurtured my love for learning.

Q: What are your goals in this new role?

A: My goal is to increase growth and learning for both students and faculty in an environment built on trust and collaboration. I

A MESSAGE FROM MSGR.

Month 1 of the Spiritual Adoption Program

Every day over 3,000 babies are killed by abortion. Prayer is the best weapon to help them. This weekend, we mark the first month of Spiritual Adoption in St. Anthony and St. Mary parishes.

How 'Spiritual Adoption' Works

Participants pledge to pray for nine months for a baby in danger of abortion. During each month of the program, we, the "spiritual parents" are given information about our baby's development in the womb. This information is in the bulletin and the church entrances.

While this child will remain unknown to us, God knows who the child is. If you have not already, please take a prayer card in the Gathering Space/church entrance. Pray the short prayer by Archbishop Fulton Sheen each day for nine months, praying for the baby and parents.

Read about the baby's development on page 3.

Tilework in the Adoration Chapel Dec. 11-22

We are excited to share that tilework will soon begin in the St. Joseph Adoration Chapel at St. Anthony. The work is anticipated to take place from Dec. 11-22. During this time, the chapel will be closed and there will be no overnight Adoration.

Daytime Adoration will take place in St. Anthony Church, starting after daily Mass (about 9 am) and Jesus will be reposed at 7 pm. We thank you for your understanding and hope you share our excitement for the continued improvements to the chapel.

Spiritual Adoption - Month 1

Developing Baby – “My Heart is Beating”

Your spiritually adopted baby has been quite active over the past month. Already your baby is 10,000 times bigger than at conception. Your baby has developed the foundations of his brain, spinal cord, and nervous system by the 20th day. His heart began to beat on the 21st day, pumping blood through its own circulatory system and the blood type can be different from his mother's. Your baby is most vulnerable during the next month of being aborted. Pray that the Lord of Life might move the heart of his mother to give him the most precious gift of all — the gift of life.

Domestic Violence Awareness: The Process of Change

Last month was Domestic Violence Awareness month. Psychologists identify 5 stages of change and the first is pre-contemplation or becoming aware of a problematic behavior in one's life and relationships. Often the person reacts with denial or shifts blame on others. This can be accompanied by sins against the Holy Spirit in the form of presumption or despair - sins against hope in God and His invitation to eternal life (CCC 1864).

"Whoever speaks against the Holy Spirit will not be forgiven." (Matthew 12:32). With presumption the person assumes God will forgive them and with despair, the person finds change hopeless and refuses to trust in God's compassion and grace in the Sacrament of Confession. Love motivates repentance and enduring change. "...You shall love your neighbor as yourself" (Rom 13: 9).

Plan Ahead for Christmas

This year the Fourth Sunday of Advent falls on the same day as Christmas Eve, with Christmas Day on Monday. The obligation to attend Mass on the Fourth Sunday of Advent and on Christmas still stands. Because people may have questions about how to fulfill both obligations, below are six options.

The important thing to remember is that no matter which option is chosen, the two obligations must be fulfilled separately.

Option 1 – Saturday Evening 4th Sunday of Advent & Sunday after 4 pm Christmas Eve

Option 2 – Saturday Evening 4th Sunday of Advent & Monday Christmas Day

Option 3 – Sunday Morning 4th Sunday of Advent & Sunday after 4 pm Christmas Eve

Option 4 – Sunday Morning 4th Sunday of Advent & Monday Christmas Day

Option 5 – Sunday Afternoon before 4 pm 4th Sunday of Advent & Sunday after 4 pm Christmas Eve

Option 6 – Sunday Afternoon before 4 pm 4th Sunday of Advent & Monday Christmas Day

Christmas Eve Masses cannot begin until 4 p.m.

A MESSAGE FROM ARCHBISHOP LISTECKI

Advent is Our Period of Christmas Preparation

It's difficult to maintain a proper disposition engaging in the liturgical season of Advent in our secular environment. Advent is that period of preparation for Christmas. It will begin this coming Sunday, Dec. 3, and is the beginning of the new liturgical year.

I say it is difficult to engage in Advent because our secular society is already celebrating Christmas. However...

- It is not the Christmas of the Son of God entering the world. Instead, it is the Christmas of store sales, beginning with Black Friday, which does anything but embrace a sense of brotherly love.
- It is not the Christmas of Angelic choirs. Instead, it is the Christmas of office parties and self-indulgence.
- It is not the Christmas of the visit to a poor manger in Bethlehem. Instead, it is the start of visits to Santa Claus by children with lists of toys that have been commercially presented to them as something they could not do without.

All this begins not the week or two before Christmas, but right after Thanksgiving.

The Church in her wisdom gives us the Season of Advent so that we can prepare ourselves and join with those who have a sense of the longing, waiting for the Messiah to enter the world. It's hard to hear the strain of "O Come, O Come, Emmanuel" over the music of "Santa Claus is Coming to Town."

Advent gives us an opportunity to listen to God. If we fail to listen, we will miss God's message for us. They say that success begins with preparation – we need to take the steps necessary to prepare for the coming of Christ, and timing is everything.

It is not all somber during Advent. There are moments in the liturgical

calendar that call us to pause and celebrate. We will hang those stockings for the Feast of St. Nicholas (Dec. 6). We will celebrate the national patronal Feast of the Immaculate Conception (Dec. 8) and the Feast Day of Our lady of Guadalupe (Dec. 12). There are also the ethnic celebrations of the daily movement to Bethlehem, such as Las Posadas (Mexican), and Simbang Gabi (Filipino). But all of these celebrations augment the disposition we must have in looking forward to the day of Christ's coming.

Implement Advent's spirituality and carve out a time for yourselves in a world that is silent to God's presence. Here are some suggestions: Say a short prayer daily focusing your attention on the longing for Christ's coming; seek the sacrament of reconciliation and the power of sacramental grace preparing your soul for Christmas; attend a Mass outside of Sunday as a sign of thanksgiving for the gift of faith; perform a charitable deed as a gift to the Christ child; call a friend and let them know of your gratitude for their friendship; say a prayer together with your family, focusing on God's love in your lives. The preparation you make for Christ's coming will assure the success of the celebration. (This article is a reprint of the "Love One Another" email sent on Nov. 28, 2023 to Catholics throughout the Archdiocese of Milwaukee.)

FROM THE PRINCIPAL'S OFFICE:

Wreaths Offer Visual Reminder to Stay Focused

During the four weeks of Advent, we prepare for the coming of Jesus. Students at St. Mary Parish School are doing this in a few ways, including an Advent "chain" with daily acts of kindness that can be done as a family.

One visual reminder to keep our hearts focused on preparation is the Advent wreath. Traditionally, Advent wreaths have four candles that represent the four weeks of the season. These candles also represent the four themes of Advent: Hope, Peace, Joy and Love.

The colors of the candles also have meaning — three are purple and one is pink. Purple is the primary color associated with Advent. Within the Catholic Church it symbolizes penance, preparation, and sacrifice.

The third candle is pink and symbolizes rejoicing. During the third week of Advent we are filled with joy for the near arrival of Jesus on Christmas day. This Sunday is often called "Gaudete Sunday" as we reflect on the joy the shepherd's felt at the birth of Jesus. *In our parishes we have a special blessing for expectant mothers that weekend (see pg 2).*

The United States Conference of Catholic Bishops tell us the subsequent lighting of the candles symbolizes the expectation and hope of our Lord's coming into the world at Christmas, as well as the anticipation of his second coming at the end of time.

Advent devotions like the Advent wreath in our school, remind students, teachers and staff of the meaning of the season and help prepare us spiritually for the birth of Jesus Christ.

Blessing for Expectant Mothers on Gaudete Sunday Weekend Dec. 16-17

The third Sunday of Advent is traditionally called Gaudete Sunday. Gaudete is the Latin word meaning "rejoice."

As the priests wear rose vestments at Mass this weekend to highlight the joy of what we anticipate at Christmas — the birth of Jesus Christ — expectant mothers are invited to stand and be blessed as we also join you in celebration of the gift of human life and your pregnancy.

Busy Mother's Prayer

Here is a moment, Lord, in the flurry of the day to pause and pray. I lift up to Your majesty and might my spouse, (Name) and my child/ren, (Name/s). Grant them the grace they need most today. Give me patience in the chaos of life; grant me the prudence and wisdom necessary to balance the demands of home and heart and work. Keep me tethered not to tasks and money, but to faith, hope and love. Help me to remember that "The greatest of these is love." (1 Cor 13) Amen.

ARCHBISHOP'S CHRISTMAS MESSAGE

Dear Brothers and Sisters in Christ,

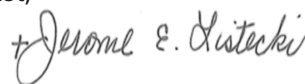

It's no accident that when Jesus was born, he was placed in a manger. Think of it – the Son of God, born among us in absolute poverty, and placed in a trough meant for animal food. He became our Bread of Life. "This King of Kings came to us as food, feeding a starving humanity 'with his tender love,'" Pope Francis once said. How true, and that continues today with the ultimate gift we receive at every Mass – Jesus in the Eucharist.

This Christmas, we are in the second year of the Eucharistic Revival, a special time in our Church when we are called to renew our devotion to the Eucharist. Jesus is truly present, Body, Blood, Soul and Divinity, and is there to sustain us in all that we do. Come and receive Him at Mass, and never go hungry. Sit with Him in Adoration and find comfort in the love He has for you, today and always.

As we look to resolutions for the new year, I suggest you resolve to make this extra effort to deepen your relationship with Christ. What an amazing opportunity to focus on the Eucharist as the Source and Summit of our faith – for it is through the Eucharist that we are united with Christ and with one another.

May peace and joy be with you and your family this Christmas, and throughout the New Year.

Sincerely yours in Christ,

Most Reverend Jerome E. Listecki
Archbishop of Milwaukee

Spiritual Adoption - Month 2

Developing Baby – "I'm Dancing"

Your baby is making progress developing all of her external features and internal organs. Her brain is functioning at 40 days. Her mother can hear her heart-beat now on an ultrasonic stethoscope. Baby-teeth buds are present at 6 ½

weeks. The central nervous system is functioning and 40 muscle sets begin their first exercises. From this moment, your spiritually adopted baby grows and refines her body. But everything she needs to survive after birth is already present by the end of the eighth week. She is now called a "fetus" a Latin word meaning "little one". Ultrasound reveals that this little one can now spring, flip and jump – her first dance steps!

What is 'Spiritual Adoption'

Every day over 3,000 babies are killed by abortion. Prayer is the best weapon to help them. This weekend, we mark the second month of Spiritual Adoption in St. Anthony and St. Mary parishes.

How 'Spiritual Adoption' Works

Participants pledge to pray for nine months for a baby in danger of abortion. During each month of the program, we, the "spiritual parents" are given information about our baby's development in the womb. This information is in the bulletin and the church entrances.

While this child will remain unknown to us, God knows who the child is. If you have not already, please take a prayer card in the Gathering Space/church entrance. Pray the short prayer by Archbishop Fulton Sheen each day for nine months, praying for the baby and parents.

Domestic Abuse Awareness: The Role of Emotions

The emotions of anxiety and worry are based on thoughts about the future — the unknown, while fear is based on a present threat. In trying to control or suppress these negative emotions, anxiety and fear grow. The challenge is to learn a new way to respond to these human experiences in the face of stressful situations to avoid angrily attacking others or avoiding reality.

In his encyclical *Humanae Vitae*, Pope Paul VI emphasized that responsible parenthood requires one uses reason and will to manage emotions. St. Joseph offers us an example to emulate: in the face of threats to his family and the unknown future, he faced into the fear, accepted it, and trusted in God's providence, protecting his family from harm.

"Fear not, for I am with you, be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my victorious right hand." (Isaiah 41: 10).
